**PRAY FOR THE SOUL OF**

**MARY GUILLAUME,  
WIFE OF  
FERDINAND DHUEY,**

Piously deceased at Lincoln, Wis., August 28, 1900, at the age of 45 years and 19 days, having previously received the Rites of our Holy Mother the Church.

She was a great Christian, a tender wife,  
a loving daughter.

By her faith in God, her devotion to Mary, her devotedness to her family, her meekness towards all, she became a model for christian wives and daughters.

A long and painful disease, endured with unfaltering resignation, bereft her husband of her presence, just at the time when their happiness was to be complete.

My friends, remember me in your prayer.

*Sweet Hearts of Jesus and Mary, be my  
salvation.* (300 days Ind.)
